Supervisor Max Wilson and the Maricopa County Board of Supervisors Approve Funding for Installation of Traffic Signal at SR 303L and Waddell Road

The Maricopa County Board of Supervisors approved an intergovernmental agreement for the design and installation of a traffic signal at the intersection of SR 303L and Waddell Road.

Maricopa County will act as the lead agency, with the City of Surprise being a financial partner only. The County will invoice the City for their financial contribution, which will be approximately 25% of the total project costs, but not-to-exceed \$191,000. The project costs are currently estimated at \$822,000 (approximately \$670,000 for construction and \$152,000 estimated for right-of-way costs). Construction is anticipated to commence in the fall of 2006.

Maricopa County Supervisor Max Wilson, District 4, says, "The safety of our residents is a priority. The Northwest Valley is one of the most rapidly developing areas in the county and this signal will facilitate the safe flow of traffic."
